

## BEREAN SCHOOL OF THE BIBLE STUDY CENTER

(One program of the Four Study Programs of Global University)

HRC became an authorized Study Center for the Berean School of the Bible in 2008, as an extension of our outreach ministry to believers in the local area. A study center is a group of students who enroll in a Berean School of the Bible online course together and are guided through that course by a local facilitator.

The director of our Berean School of Bible Study Center is Kent Wells. Kent is a member of Harvest Ridge Church and also serves on the Deacon Board. Kent has a B.A. Degree in Christian Education from North Central University.

If you are interested in studying the bible at an academic level or feel that you have a call to the ministry, I recommend that you check Global University's website: [www.globaluniversity.edu](http://www.globaluniversity.edu).
